

Amended 05/06/2015

TOWN OF PHELPS
VILAS COUNTY, WISCONSIN

ORDINANCE 2008-01
RIFLE RANGE

Section 1: Purpose

The purpose of this Ordinance is to set forth rules to govern individuals and organizations that use the Phelps Rifle Range.

Section 2: General Regulations

No person shall discharge any firearm, air gun or bow at the Phelps Rifle Range under control of the Town of Phelps contrary to posted regulations.

- A. "Weapon" shall mean any rifle, pistol, firearm, air gun or other device whose function is similar to that of a firearm.
- B. The following rules shall apply to all rifle ranges in the Town of Phelps:
 - a. Whenever a person is down range for any reason, all individuals in the range shall cease firing and unload and break open the actions on their weapons.
 - b. All weapons are to be shot or fired only into the backstops. Targets shall not at anytime be placed on top of the backstops.
 - c. Glass targets shall not be used.
 - d. Users of the range must remove all refuse (cans, plastic containers, shell casings, etc.) from the range when finished and must dispose of such refuse at an appropriate disposal site.
 - e. Alcoholic beverages and containers are absolutely prohibited at the rifle range site and shall not be consumed on or brought to the premises.
 - f. The range is open spring, summer, and fall during daylight hours within the period from 7:00 a.m. to 8:00 p.m. It is closed during the winter season, as the access road is not plowed.

Section 3: Maintenance

As an entity of the Phelps Parks System, the Phelps Rifle Range shall be maintained by the Town of Phelps under the guidance and jurisdiction of the Phelps Park Commission.

Section 4: Effective Date

This Ordinance shall take effect the day after passage and publication as provided by law.
